Hello boys and girls,

my name is Kerstin Becker. I'm from Dortmund and I would like to go to London. I heard that it is a very exciting city with lots of famous sights and places to see. Your teacher told me that you know a lot about London and all the sights there. Would you please help me to find my way when I'm there? That would be really nice! ☺

Here are the sights and places I want to visit:

- Buckingham Palace
- Tower Of London
- The London Dungeon
- Piccadilly Circus

I would like to see all of them in one day. So please make the way as short as possible. I want to go by Tube and my hotel is near "*Paddington Station*". I hope that you find the shortest way for me.

Thank you very much!

Yours Kerstin

My task

Useful words and phrases:
